NEW YORK, May 11, 2015 (GLOBE NEWSWIRE) -- MSG Entertainment (MSGE) announced today that following the successful inaugural season of *New York Spring Spectacular*, presented by Chase, tickets will go on-sale for the 2015 production of the *Radio City Christmas Spectacular*, presented by Chase, on Tuesday, May 19. Embraced by generations of families, the *Radio City Christmas Spectacular* is an awe-inspiring celebration of the holiday season. The 2015 production features dazzling Rockettes dance numbers, spectacular costumes and state-of-the-art technology.

The *Christmas Spectacular* continues to be enhanced with fresh and dynamic content while preserving what has made the production a beloved holiday tradition. The 2013 show introduced a brand new finale number called "Snow," that features GPS-enabled snowflakes. This was followed in 2014 with the debut of the re-imagined "Rag Dolls," a classic dance number that originally debuted in 1940. Santa's toy factory in the North Pole serves as the backdrop for this high-energy tap routine, featuring the Rockettes as rag dolls that come to life. The 2015 *Christmas Spectacular* will feature both of these performances, which take the Rockettes signature technique and athleticism to greater heights, and will join classic performances, including "Living Nativity," which takes audiences on an awe-inspiring journey, and "Parade of the Wooden Soldiers," which sets the standard for the Rockettes style of precision dance.

The Rockettes are a legendary dance company and have been a part of the fabric of New York City for more than 85 years. Since their debut in the *Radio City Christmas Spectacular* in 1933, the Rockettes have danced into the hearts of millions and spread Christmas cheer to people of all ages. Their technique continues to be both deceptively complex and entirely glamorous and their talent and athleticism is unrivaled.

The Rockettes have appeared in some of the most prominent events in the entertainment landscape including the 2015 NBA All-Star Game, the 2013 Super Bowl numeral unveil, the 2013 MLB Home Run Derby, NBC's hit show, "America's Got Talent," and various other special events including award shows, national television appearances, sporting events and Presidential inaugurations. Radio City Music Hall is now a year round destination for family entertainment in New York City with the long-running *Radio City Christmas Spectacular* and with the new spring perennial, *New York Spring Spectacular*, which was extended by popular demand and sold nearly 300,000 tickets over its eight-week run.

The *Radio City Christmas Spectacular* is proud to be presented by Chase. Chase's commitment to the *Christmas Spectacular* supports this unparalleled production, which continues to entertain millions of families year after year.
