

Stake Technology, CEO Jeremy Kendall to Be Interviewed Today On CNNfn

TORONTO--Sept. 10, 2003--Jeremy Kendall, Chairman & CEO of Stake Technology Ltd. (Stake) (Nasdaq:STKL)(TSX:SOY) will be interviewed today at approximately 1:20 p.m. EDT on CNNfn's The Money Gang. Stake Technology, which is in the process of changing its name to SunOpta, Inc., recently reported its 23rd consecutive quarter of record revenues versus the same period in the previous year. The Company, which is a leading supplier of soymilk concentrate to the U.S. market, has also become increasingly profitable as it grows its core organic and natural foods businesses in the U.S. and Canada, both internally and through acquisition.

The interview may be accessed via a link at the Company's website (post the live interview) at www.staketech.com or www.sunopta.com under the News & Events section.

Stake Technology Ltd., soon to be SunOpta Inc., is an owner/operator of high-growth ethical businesses, focusing on integrated business models in the natural and organic food markets. For the last five consecutive years, Stake was included in Profit magazine's 'Profit 100' list of the 100 fastest growing companies in Canada. The company has three business units: the Food Group, which specializes in sourcing, processing and distribution of natural and organic food products; integrated from seed through packaged products; the Environmental Industrial Group; a producer, distributor, and recycler of environmentally friendly industrial materials; and the Steam Explosion Technology Group who engineer and market clean pulping systems using patented steam explosion technology. Each of these business units has proprietary products and services that give it a solid competitive advantage in its sector.
