Valaris is committed to an incident free workplace, cares for the environment and the communities in which we operate and upholds high standards in all that we do.

To accomplish this, we:

- Live our Values in pursuit of our Purpose
- Follow 100% of our policies, standards and procedures 100% of the time and are never afraid to stand out to do the right thing
- Always comply with applicable laws and regulations
- Lead by example and provide resources to manage HSE risks to as low as reasonably practicable
- Believe safety is everyone's responsibility and Stop Work Authority is an obligation whenever an activity is perceived unsafe
- Treat others the way we would like to be treated
- Build a just and interdependent safety culture promoting ingenuity and continuous improvement
- Engage our employees in HSE matters and invest in their development
- Integrate human factor principles into our systems and processes
- Prevent pollution and manage environmental impacts of our business
- Identify the root causes of incidents and non-conformities, and apply measures to prevent reoccurrence
- Proactively learn by conducting self-verification and performance monitoring activities
