Cautionary Statements

Statements contained in this press release that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements include words or phrases such as "anticipate," "believe," "estimate," "expect," "intend," "plan," "project," "could," "may," "might," "should," "will" and similar words. Such statements are subject to numerous risks, uncertainties and assumptions that may cause actual results to vary materially from those indicated, including the Company's liquidity and ability to access financing sources, debt restrictions that may limit our liquidity and flexibility, the COVID-19 outbreak and global pandemic, the related public health measures implemented by governments worldwide, the volatility in oil prices caused in part by the COVID-19 pandemic and the decisions by certain oil producers to reduce export prices and increase oil production, and cancellation, suspension, renegotiation or termination of drilling contracts and programs. In particular, the unprecedented nature of the current economic downturn, pandemic, and industry decline may make it particularly difficult to identify risks or predict the degree to which identified risks will impact the Company's business and financial condition. In addition to the numerous factors described above, you should also carefully read and consider "Item 1A. Risk Factors" in Part I and "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" in Part II of our most recent annual report on Form 10-K, as updated in our subsequent quarterly reports on Form 10-Q, which are available on the Securities and Exchange Commission's website at www.sec.gov or on the Investor Relations section of our website at
