LONDON--(BUSINESS WIRE)-- EnSCO plc (NYSE:ESV) ("EnSCO" or the "Company") reported today the early tender results of its previously announced cash tender offers (collectively, the "Tender Offers," and each offer to purchase a series of notes individually, a "Tender Offer") to purchase up to \$985,000,000, exclusive of accrued interest (the "Aggregate Maximum Purchase Amount"), of the outstanding notes of EnSCO and its wholly owned subsidiary Pride International LLC ("Pride") set forth in the table below (collectively, the "Notes"), upon the terms and subject to the conditions described in the Offer to Purchase, dated January 10, 2018 (as it may be amended or supplemented from time to time, the "Offer to Purchase"). As of the early tender date of 5:00 p.m., New York City time, on January 24, 2018 (the "Early Tender Date"), EnSCO received valid tenders totaling \$578,091,000 aggregate principal amount of Notes as set forth in the table below.

Each of the Tender Offers will expire at 11:59 p.m., New York City time, on February 7, 2018, or any other date and time to which Ensco extends such Tender Offer (such date and time with respect to a Tender Offer, as it may be extended for such Tender Offer, the "Expiration Date"), unless earlier terminated. Ensco reserves the right, in its sole discretion, to increase or decrease the Aggregate Maximum Purchase Amount or the Capped Notes Tender Cap at any time without reinstating any withdrawal rights for any Tender Offer, subject to compliance with applicable law, which could result in Ensco's purchasing a greater or lesser amount of Notes in the Tender Offers. Ensco currently expects to settle the Tender Offers for all accepted Notes validly tendered as of the Early Tender Date on January 26, 2018. Ensco will purchase any remaining Notes that have been validly tendered at or prior to the Expiration Date and accepted for purchase, subject to all conditions to the Tender Offers having been either satisfied or waived by Ensco, promptly following the Expiration Date (the date of such acceptance and purchase, the

“Final Settlement Date”), subject to the Aggregate Maximum Purchase Amount, the Acceptance Priority Levels, the Capped Notes Tender Cap and proration as described in the Offer to Purchase. The Final Settlement Date is expected to occur on the second business day following the Expiration Date, assuming the conditions to the Tender Offers have been either satisfied or waived by Ensco at or prior to the Expiration Date.

The Company and its affiliates may from time to time purchase additional Notes in the open market, in privately negotiated transactions, through tender offers, exchange offers or otherwise or the Company may redeem the Notes pursuant to their terms. Any future purchases, exchanges or redemptions may be on the same terms or on terms that are more or less favorable to holders of Notes than the terms of the Tender Offers. Any future purchases, exchanges or redemptions by the Company and its affiliates will depend on various factors existing at that time. There can be no assurance as to which, if any, of these alternatives (or combinations thereof) the Company and its affiliates may choose to pursue in the future.
